HAPPY 100th BIRTHDAY

Yvette Meunier!

Yvette's family and friends at the Arbors at Chicopee celebrated her birthday with cake, wine and appetizers. Her sister, on the right, just turned 102! Yvette worked as a federal employee for 40 years through Pratt and Whitney. She is close with both her sisters, (pictured here) and has two wonderful nieces.

You can see Yvette and her sister, and Yvette's nieces. It is

her favorite activity!

Reflections

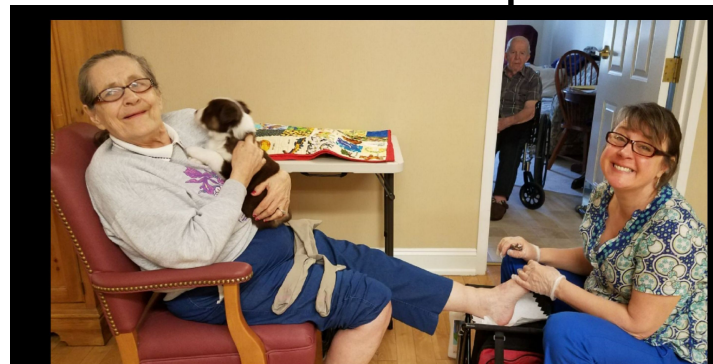

Spring is the Air

The Resident took a trip to Home depot to pick up our Spring flowers. Relfections Program Director, Julie, filled the flower pots so we could enjoy the beautiful flowers all summer from our window. During the month of May we've enjoyed many activities outside in our beautiful court yard.

Puppies & Pedicures

Nurse Sharon brought her Australian Shepard puppies in while at the same time she gave pedicures to the residents. The residents loved holding them and smelling their puppy breath. The residents also loved reminiscing about their own animals they had as children.
