At cocktails and conversations, on e Thursday, residents proudly showed off their enormous & fanciful cocktail rings that they made in the arts & crafts activity just beforehand.

Residents Love Gardening

With the weather finally cooperating, both Arbors communities were able to plant their spring gardens.

First a group of Reflections residents went to Araujo's farm in Dighton and chose some beautiful flowers, tomatoes and peppers to plant.

When they returned home, everyone got right to it, weeding and preparing, and planting the garden beds.

The Traditional community also enjoyed planting an herb garden in the courtyard, with activity assistant Betty.

It was so nice to finally get out there in the sunshine and everyone had a part in getting their hands dirty.

Dining Out

There were many fabulous, fun lunch outings in May. Traditional residents ventured to The Old Grist Mill Tavern, and Lobster Hut in Plymouth, while Reflections residents' trips included Grill 58, Emma's Pizza, and Caravela's

Passion for Painting

Arbors Traditional residents exercised their passion for painting again, this time with inspirational images of fruit bowls. Each choose a different image and fearlessly dove in to create their interpretation.

Residents Make Party Banners

Traditional residents were at it again in May making decorations for our Parties, with Diane. For the Cinco De Mayo Family Fiesta they made Mexican cut paper banners. They painted a spectacular banner for the Memorial Day party. Not only are these group art projects a fun social activity, but the residents express pride and happiness to see their work on display at the parties also.
