Arbors Believes

Arbors Believes is the holiday time portion of "The Arbors Gives Back". The Arbors Gives Back fund was established in 2008 as a way to connect assisted living residents to the local community. The Arbors Gives Back has continued with our mission to serve the needs of our residents by helping them to serve the needs of the community. We believe the desire to serve is innately human and knows no age. Since 2008 we have raised close to \$100,000 dollars for various causes, especially the Alzheimer's Association. **Arbors Believes** is the fundraising that we use at holiday time to benefit local charities

Ladies Tea

On Thursday May 17th we had our annual Mother's Day Ladies Tea . Our Flower Arranging Club helped arrange flowers. It was a lovely affair with finger sandwiches, scones, puff pastry and a wide variety of tea.

Spring Wind Chimes

Our crafters used bright, pastel colored paints to make spring wind chimes. They chose a nature item to paint. Some chose a butterfly, others a tulip and others a daisy. Our spring wind chimes are certain to add lots of cheer and color!

All-Around Flower Bouquets

Even though it's still a little chilly outside, and we are still waiting for flowers to bloom. We are thinking about flowers and Springtime. We made flower bouquets using colorful scrapbook paper, washi tape and twine. We couldn't wait to hang up our bouquets and add some Springtime cheer!

Acoustic Duo

We had a very special cocktail hour on a Friday afternoon. Our residents were treated to entertainment by an acoustic duo. One of the performers was the granddaughter of a resident in our community, John B. He was very proud of his granddaughter and had a front row seat. We all enjoyed singing along to some of our favorite tunes.

Craft Stick Lanterns

Our ladies were busy this month! We made craft stick lantern from scratch. Residents attached popsicle sticks to wax paper and then shaped it into a square. Then they put their own little designs on the outside of their lanterns. Some added stars, while others added hearts. In the end they added a candle to light it up!

Vanilla Rainbow Cookies

Our bakers were very busy making cookies for everyone to enjoy after lunch. Everyone took turns adding in the ingredients then Sheila did the honors of mixing it all together. They used vanilla pudding, rainbow sprinkles and of course sugar. The cookies were a big hit!

Tin Butterfly Art

Our crafters finished off the month making tin art. We started by tracing the butterfly pattern onto the foil. Then we put the foil onto cardboard and painted our butterflies. It was a lot of work, but they all enjoyed doing it!

Sculpture Artist Visit

Our residents had a very special and unusual program on Friday the 13th! Linda York-Robbins, who is a sculptor brought her life-size animal sculptures. We learned about her artistic process. It was so interesting and we were amazed by her work!
