The 4th of July was kicked off with a picnic in the courtyard. We enjoyed hamburger's , hot dogs, potatoes & macaroni salad and all the fixings. For dessert, ice cream sundae bar with a wide assortment of toppings.

Hot Summer Days We all have been enjoying the beautiful summer weather in our courtyard. It's a great place to relax and socialize. We've enjoyed having the Arbors Kids over for snow cones fun.

Men's Pizza Party
Ryan, the Marketing Director, and Juan, the Maintenance Director, hosted our monthly men's social. The men had "Two Guy's Pizza" from resident Tony's family-run pizza shop. For dessert the men enjoyed pineapple cream pie made by the ladies!

We enjoyed a presentation from the Chicopee public Library's historic photographs collection with local history librarian Chuck Abel and Community service librarian Ann Gancarz

Buttery Brook Park
One of our favorite things to do in the summer months is going on picnics. We enjoyed grinders that the kitchen prepared for us and fresh fruit for dessert. After we filled our bellies we did a walk around the park.

The Reflections Community

We celebrated the red white & blue by making a festive truffle cake. Residents Jane k. cut up the strawberries & Jean F. stirred her love into the whip cream. The fresh picked blueberries were picked up at Dickerson's Farm in Granby.

TJ O'Conner Shelter

The Residents made & delivered Animal treats to the Shelter. This is a activity the residents really enjoy The Residents said they enjoy see the animals as long as they don't have to clean up after them.

Ha Ha!

Extra Extra read all about It!!!
We made the local paper for our **Farm Fresh Fridays** Every week we pick up fresh produce from local farms. Some of the favorites are Mc Kinstry farm for corn of course & Sapowsky Farm for sweet strawberries.
