THE Arbors[™]
Assisted Living Residential Communities

The Arbors at Greenfield

We had perfect weather for our BBQ at Look Park. It was a great old fashioned picnic in the park! Cheryl & Chris cooked burgers and hotdogs on the grill over charcoal, shared pasta salad, pickles, chips coleslaw and pink lemonade. Watermelon was dessert. Next time we will bring ingredients for s'mores!

Alma toasting everyone at our Fine Dining. We were served a glass of wine, salad, Filet Mignon served over a garlic mashed potato with fresh asparagus. Our meal was finished with a gourmet cupcake.

It is time for our pink friends to join us again this year! Be sure to check out the activities we have on our calendar! Don't forget to see if they are back in the courtyard!

THE Arbors[™]
Assisted Living Residential Communities

The Arbors at Greenfield

We ventured out between the raindrops to have lunch at The Greenfield Country Club. It was a small group but the food was delicious!!

Celine's daughter Eveline, her son Gillis and Doug entertained us on Friday afternoon! What an amazing talented family! Eveline is also founder and singer in Amandela Chorus! We can't wait for them to come back again! Thank you Eveline!

REFLECTIONS COMMUNITY

JUST BEACHY!

Residents enjoyed many beach themed activities this month including making seashell sun catchers, beach charm aromatherapy jewelry, beach ball toss, an afternoon traveling tea party to the beaches of Hawaii , and we even had a staycation where residents sipped on pina coladas and enjoyed fresh tropical fruit with the ocean scenery and sounds! We also spent an afternoon writing messages in a bottle to servicemen and women overseas.

Happy Birthday to all of you!!

Irene married Ralph in 1948. They raised 3 girls together in Barre, Ma. Irene work for the Commonwealth of Ma. for 32 years. After retiring they loved to travel to Florida to visit her sister and niece. Irene and Ralph were married for 60 years. After his passing in 2008, she moved to Florida and vacationed in Ct, Ma, and So. Carolina with each of her daughters in the summer. She moved back to Ma and with her daughter's help, searched for a new place to live. They took a tour of The Arbors at Greenfield with Crystal. Irene loved the size of the building and said the decor was really nice.

Irene moved into the Arbors at Greenfield the first of June, 2016.

She has made many friends here and enjoys the various shopping trips that take place. She loves the bingo games which happen three times a week and the many different entertainers that Cheryl has come in. She enjoys some of the movies that are shown nightly. It is a nice place to be!
