Westfield Traditional Community

August was “Flip Floppin Fun” with our residents! We stayed busy by decorating flip flops for door hangers, to decorating Nutter Butter cookies to look like flip flops, and finally, rolling out the dough to make our own flip flop cookies!

Westfield Reflections Community

This Month was all about Flip Floppin Fun

Angela's Granddaughter helps us make flip flop decorations for our tree.

On the right—Our Reflections Community had so much fun making these Flip Flop Cookies!

Let's not forget our Furry friends—Love on a leash therapy dogs!

National Assisted Living Week

September 9th-14th

“Capture the Moment”

What is National Assisted Living Week?

In 1995, the National Center for Assisted Living decided to designate one week in September to celebrate Assisted Living facilities. It is a time to educate the public about the many services that are provided for seniors who would like an independent lifestyle, but may still need some assistance for their individual needs.

As we celebrate this amazing week, with our residents, we invite you and your family to stop in to our special events as we “Capture the Moment” with our residents and staff!

Happy Birthday

September Babies!
