

DOOR DOOR

The Arbors at Greenfield

Thank you to all who helped with our November craft fair and bake sale! Residents and staff donated their time to help make all sorts of baked goods! We sold an assortment of goodies, including pies, breads, cookies, brownies, and more. Thanks to all who baked (and bought), we raised over \$400.00 for Meals On Wheels!

DOOR TO DOOR

The Arbors at Greenfield

One of the crafty activities we scheduled for the month, were festive floral arrangements! The residents put together some beautiful fall colored centerpieces.

We had quite a few socials this month, including our “*directors cut happy hour*” (with drinks and appetizers), our chocolate cream pie social, and our wine and cheese social.

Music entertainment is always a hit, and we love having Steve and Tom come in to perform for us.

Here is a snap shot of a few of the fellas during men’s lunch! Meatball grinders, beer and apple crisp were served.

Reflections Community

OUT & ABOUT

We love getting the whole gang out! Even with a touch of snow on the ground, it makes for an enjoyable scenic drive!

Tuesdays are always set aside for our “spa day”, where we enjoy aroma therapy, calming spa music, and hand massages by our wonderful staff! It makes for a relaxing afternoon!

Tis the season for hot drinks on chilly days! Reflections residents enjoyed a good cup of cocoa while challenging themselves with trivia and reminiscing about holiday traditions .

Sharon Lorenz

Sharon was born in Flint Michigan and grew up with one younger brother. Right out of high school, Sharon went into nursing school and started working at Hurley Hospital. While in school, Sharon met her husband at a dance they both attended, and the rest was history! Sharon stopped working when her first child was born, and became a stay at home mother. Sharon now has several grandchildren and two of them are engaged to be married, and Sharon couldn't be happier! She and her husband moved from Michigan to Greenfield in 1954. They lived on Bungalow Avenue raising their 3 kids, until Sharon's husband built the Country Side Condominiums and they relocated there. For the next several years, Sharon and her husband would spend 5 months of the year in Greenfield, and the other 7 months in Florida. When Sharon's husband passed, she stayed in Greenfield permanently until her move last November, into the Arbors. Sharon loves the staff here at the Arbors, because they get her

to try things she normally wouldn't do. She loves having the ladies around to help out, and she also loves having friendly neighbors. Sharon appreciates that the staff checks in frequently with her, and helps to do things she is unable to – and she couldn't ask for more! Sharon enjoys the visits from the local students – especially when they chat with her and paint her nails! She also enjoys music entertainment and baking. Sharon loves to visit our receptionist and would like everyone to know that (quote) "The lady at the desk is very good to me – she has the same name as I do! She gives me at least 2 candies each time I see her if not more". Sharon likes most everyone she meets here, and says everyone seems to be pleased, so it must be a good place!
