

Happy Holidays From Our Home to Yours!

(Holiday and New Year Wishes Note)

Veterans Day Celebration

This year community members from the Arbors at Stoughton boarded our Van to enjoy a Veterans Memorial Day Parade.

Kicking things off with a bang the Stoughton High School Marching Band lead us in patriotic melodies that could be heard throughout the town.

Residents were then delighted by Guest Speaker Gary Highlander who discussed and honored the 100th Anniversary for the end of WWI.

The most resonating moment for our group was the ringing of the bell on the 11th day at the 11th hour which started our moment of silence.

To all our Veterans
Thank you for everything you've done!

Yesterday is HISTORY,
Tomorrow is a MYSTERY,
but Today is a GIFT..
That's why we call it,

the PRESENT!

Giving Back...

We're all aware that there are those less fortunate than ourselves who could truly use our help, especially at this time of year. Therefore, each December we choose a worthy cause that allows us to "Give Back" to the local community.

This year we'll feature a Giving Tree to benefit My Brothers Keeper out of Easton. Please join us in our efforts by taking a tag from our tree and purchasing the gift requested. Seasonally wrap your donation, tag with the recipient's gender, age and deliver it to the receptionist no later than December 14th.

Feel free to call with any questions you may have.

Thanks in advance for your kindness and generous support.

Arbors Treat Crew: Pie Master's Edition

The Arbors Treat Crew decided to try their hands at baking some homemade Cherry and Blueberry Pie! Each of us took turns adding together all the necessary ingredients to make our pie's deliciously tasteful.

Thanks to our Program Director Brittany who brought in a little fun by decorating our pie crusts with many dough hearts. Created by using a cookie cutter!

As our pub filled with that beautiful aroma we reminisced about our Holiday Dessert Traditions and enjoyed a warm slice of pie surrounded by our friends.

We're excited for next month treat adventures and will definitely be bringing our sweet tooth!

4H CLUB VISITS!

This Month we enjoyed a visit with the local 4H Club in our very own Activity Room! Children with their parents arrived eager to share their knowledge and furry best friends with us!

We even had our very own presentation on Racing Pigeons! The kids did a great job and the information was quiet intriguing! In fact did you know that once a racing pigeon is relocated it will always return to its "home" which is the place that they are born!

Some of us even enjoyed petting a couple bearded dragons and they weren't as frightening as you'd think! Just a little scaly! We can't wait for their next visit and to see what other types of friends they may be bringing!
