The Arbors at Taunton

DECEMBER 2018

## *Autumn at the Arbors*

Residents of both our communities made many wonderful fall & festive crafts this past month.

Reflections residents wove beautiful placemats with affixed oak leaves in autumn colors. The Country Kitchen dining tables looked lovely set with the mats for the Thanksgiving holiday.

## *Decking The Halls*

*Fa La La La La*

Residents have been decorating their apartments and joined together to help with our community Christmas trees.

It's beginning to look a lot like Christmas!

## The Arbors at Taunton

### Music & Merriment

For a change of pace we held one of our monthly music socials in the living room. It was cozy and intimate with the fireplace as a backdrop. Vini Ames was the performer. Other November entertainers were Mike Higgins, Jeff Dunn, and Candida Rose.

### Michelle's Fashions Sale at The Arbors

Michelle brings a lovely selection of ladies clothing and accessories to the Arbors at Taunton twice per year. She always has some great deals and the residents love to shop!

### Welcome Home Tea Party

Arbors' residents always welcome our new residents with open arms. They are very friendly, helpful and hospitable. Each month we all get together and celebrate our new friends.

## Out & About

### Lunch Outings

In November residents enjoyed lunch out at a nice variety of dining establishments. Our first was to Yamato Japanese Steakhouse. We all had a stir fry with rice and the seafood or meat of choice. Everybody decided to try fried ice cream and thoroughly enjoyed it! Below see Alma's astonishment when the dessert was placed before her.

### Plainridge Park Casino Trip

A few residents from Reflections and Traditional communities spent the afternoon at Plainridge casino. We all enjoyed some pizza for lunch before we hit the slot machines. We may not have hit the jackpot, but we all had fun.
