The Arbors at Winthrop

April / 2019

## Mardi Gras

Our residents were busy making decorations for our Mardi Gras celebration. The craft ladies made fleur-de-lis ornaments and beaded bag centerpieces. Their decorations added lots of color and joy to our party!

After discussing the origins of Mardi Gras the morning of Fat Tuesday; we made our own King Cakes. Then we cut into them and crowned our two new queens (Donna and Stephanie). They were the proud residents who each found a baby in her piece of cake.

## The Arbors at Winthrop

### The Luck of the Irish

Our residents have been busy this month making lots of Irish crafts and participating in other Irish inspired activities. We made our Celtic Knot Charms out of clay. It was a little challenging for us to make the clay into these complex shapes but the results were worth it. Most of us will wear them proudly on our necks!

We also made Irish hats complete with shamrocks and a pot of gold. They brought such color and joy to our pub for the month of March!

In addition, we painted pots and then planted Shamrock Wannabe bulbs in pots that we painted to look Irish. We look forward to them blooming.

On the day of our travelogue to Ireland we made our own Leprechaun Fluff that we enjoyed after our “trip to Ireland.”

As part of our Irish celebrations, we enjoyed the Irish music of a few different entertainers including: Brian Corcoran and Rick Skehan. During our St. Patty’s Happy Hour we sampled Guinness Beer and Irish coffee which was made with Bailey’s Irish Cream.

## Reflections Community

### Lunch at Chili's

Our residents enjoyed lovely bacon burgers from one of our favorite places to eat. Chili's has been a very favorable lunch spot. They love the attention they receive from the staff. Starting with the chips and dip they provide when they get their main course meal. This group right here enjoyed their bacon burgers the most.

### Baking & Crafts

Our chefs had fun making no-bake cream cheese oreo bars. They couldn't wait to eat them. So as soon as they finished their lunch they were gone in an instant!

Our crafters made flying spring birds using brightly colored paper which they folded to make the wings. They were quick to hang them on our trees.

### Ash Wednesday

Here we have one of our Reflections community residents from the Arbors at Winthrop proudly showing off her Ash Wednesday cross and the craft we worked on that morning. The art of the week was a Buttons & Gems Fleur-De-Lis craft. Most residents hung them up as a doorknob decoration.

### Magical Fancy Lunch

For our Fine Dining this month we had a special treat. Not only a delicious lunch provided by our dietary department, but also Mr. Magic provided tableside magic during our lunch. We were amazed by his tricks and couldn't figure any of them out.

## ELEVATOR SAFETY AND SECURITY FOR OUR REFLECTIONS RESIDENTS

**FOR ADDITIONAL SAFETY FOR OUR RESIDENTS  
PLEASE MAKE SURE THAT YOU WAIT FOR THE ELE-  
VATOR DOOR TO CLOSE WHEN ENTERING AND EXIT-  
ING THE FLOOR  
IF YOU FIND A RESIDENT ON THE ELEVATOR WITH  
YOU PLEASE CONTACT  
AN ARBORS EMPLOYEE IMMEDIATELY**

### New Designated Smoke Area:

We now have an area for smoking.  
Please smoke only in this area:

There is a bench and a cigarette recep-  
tacle next to the stairs on the Pleasant  
street side parking lot. Please limit  
your smoking to this area. Thank you!

Thank you!
