March 2019

## LOVE IS IN THE AIR AT THE ARBORS

Love was certainly in the air this Valentine's day here at the Arbors! We started the day with a fun game of Cupid's heartbreak game in which residents enjoyed popping balloons for points and prizes. They had a grand old time reminiscing about past valentine's days with their loved ones and some of the special gifts they used to get from their significant other. Later on in the day both communities enjoyed pink mimosas by the fire

chatting and laughing with their friends. You can certainly feel all the love amongst friends here.

## PAINT NIGHT WITH ANNA!

On Thursday, February 21<sup>st</sup>, volunteer Anna came for a Valentines theme paint night. Residents were able to reminisce about their high school sweethearts, getting married and their kids. Listening to Dean Martin and Frank Sinatra brought back great memories for some. Residents really seem to enjoy being able to take a night, relax, and just talk about the good times from years past. Anna comes once a month to paint with residents and all are always welcome to join in.

## The Arbors at Taunton

### OUT & ABOUT

In February we had a lot of fun lunch outings which included Grill 58, Longhorn Steakhouse, and Gregg's restaurant and during these outings many opted for baked haddock, fish and chips or a hot cup of chowder, especially Alma who states that she likes to try clam chowder at every restaurant that she dines in.

All had a wonderful time enjoying the wonderful scenery along the way and fun conversations with their friends. True friendships really warm the heart.

### CRAFT FUN!

On Sunday February 17th our residents enjoyed making sweethearts cherry pins, it is so fun watching everyone get so involved and be so creative in their work.

### Hip Hop and Dance with Rhonda

On Wednesday February 20th, children from the kids music and dance group in the Randolph area came in and performed for us. It was a pleasure to watch them play instruments and dance. In between each performance they also taught us a little bit about the culture of hip hop and dance. The kids are very talented and you can see how much they all love performing!

### Men's Luncheon

On Monday, February 11th gentlemen from both communities came together for a pizza and chicken wings luncheon. It was an afternoon of great fun, laughter and conversation amongst one another!

### A Day of Pampering

On Valentine's Day some of the ladies on Reflections went on to get pampered and get manicures. We were off to try a new nail salon, Dragon Nails and Spa in Raynham. Louise L., Betsy V., Helen G., Genevieve M. and Olive C. were in their glory picking out their nail polish color and getting their hands massaged. Louise L. had the whole place cracking up with her jokes and comments. It was a Valentines to remember and what better way than to get a little pampered for yourself.

### Cocktails and Conversations!

It is always nice to see the friendships that have been made here at the Arbors. It is a joy to see them laughing together and telling each other stories of their lives and laughing at each other's jokes. We all look forward to the next cocktail and conversations

## SUPER BOWL CHAMPIONS!

On Friday February 1st residents and staff here at the Arbors supported our New England Patriots into the Super bowl. It was awesome to see all of the Patriot pride!

### Welcome New Residents!

John A.

### Happy March Birthdays!

RITA L 3/2  
ALFRED S. 3/9  
HAL L. 3/9  
HELEN M. 3/10  
JOHN K. 3/11  
SUSAN M. 3/16  
WILLIAM R. 3/19  
HENRY G. 3/20  
MARY P. 3/20  
  
LOUISE S. 3/24  
BETSY V. 3/24  
BERNICE M. 3/30

Sunday March 10th!

Don't forget to set your clocks  
forward 1 hour!

### SENIOR SPOTLIGHT!!

#### SUSAN M

Susan is 72 years old and a native of Boston. She was an administrative assistant at Berring Diagnostics in Westwood. Susan enjoyed cross country skiing, bike riding, and enjoys doing crosswords. She is very active here at the Arbors and participates in most of the activities, she especially attending the lunch outings. She says her favorite thing about the Arbors is the fun activities. Susan has made many friends here and we love having her in our family!
