

The Arbors at Chicopee

July 2019

A Taste of the Arbors

Chef Patrick out did himself with so many different delicious plates: Greek rice salad, mango avocado grilled chicken salad, turkey & cheddar panini, grilled flank steak and the most popular plate was a bacon mac n' cheese in a personalized skillet dish. Noah Lis from 'the voice' entertained us on the patio. It was a wonderful evening with family and friends!

Students From Japan Visit

During their annual visit to the United States students from Doshisha elementary school in Kyoto, Japan stop in Chicopee to visit. They sang a mix of American songs like "Take Me Out to the Ball Game" and also some of their traditional songs. We enjoyed some chocolate chip cookies while they spent some time sharing stories about their families and what life is like in Japan. The founder of the school is an 1870 Amherst College Alumnus. Having been educated at Amherst the founder wished to educate the young people in the same way. Since then many Japanese have studied at Amherst collage.

DOOR DOOR

The Arbors at Chicopee

A beautiful day with plenty of sunshine at Buttery Brook Park. We enjoyed watching the neighborhood children playing on the swings. Frieda had a unexpected visit from her niece & great nieces

Friday June 7 kicked off BBQ Friday's . All summer long every Friday we get a chance to eat outside on the patio while enjoying some of our favorite summer time foods like hamburgers, hot dogs, potato salad and corn on the cob!

We took advantage of some sunny weather by holding our monthly walker wash in our courtyard. Residents enjoyed sipping on fruit smoothies while getting their walkers cleaned spic and span.

WEDDING WEEK

Annual wedding week begin June 24– July 1 Residents & staff submit wedding photos for everyone to enjoy & reminisce about . Big thank you to Fr. John for blessing our married couples .

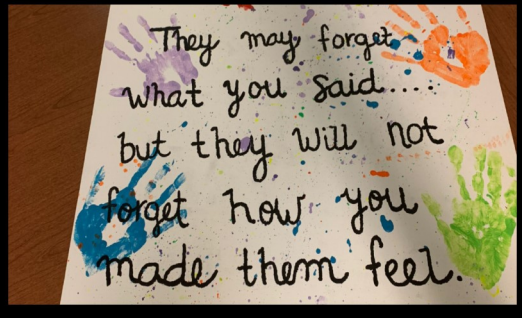

Maggie & Tony 57 years

George & Lois 60 Years

The Arbors at Chicopee

The Reflections Community

Crafters Corner
Act/Assisted Jordan painted the Residents hands and together they made this powerful sign with the saying .
“They may forget what you say.. But they will not forget how you made them feel.”

Beautiful Night
in the Courtyard for a fun game of Ring Toss

Farm Fresh Fridays
Dickerson farm was our first stop of the season .
Chef Patrick's made sweet strawberry short cake. Resident Rene always enjoyed picking strawberries as a kid.

Classic Burgers
is where we met our friends from the Westfield Arbors . We all enjoyed many laughs & Ice Cream too. It was a lot of fun sitting in the table that were made out of a 57 Chevy Convertible.

Music with Rocking Robbin on the Patio

Books on Wheels!

Did you know the Chicopee Library offers an outreach service that brings books to you? Each month Anne the outreach coordinator brings the book mobile out to the Arbors. The book mobile is filled with new and popular books for residents to choose from. Audio books are also available by request. Anne also takes special request and will order a book that you are looking for and will bring those books on her next visit. This is a great free service for anyone who enjoys reading. No library card is necessary to participate in this program. Come to the Arbors Library on Anne next visit and learn more about this service or just get with friends and talk books.
