Assisted Living Residential Communities

The Arbors at Chicopee

August 2019

Who would enjoy an ice cold snow cone on a warm summer day? The Arbors Kids Camp that's who! We enjoy many different Inter-generational activities with the Arbors Camp & Day Care through the whole year.

HOT SUMMER DAYS at THE ARBORS

The Birthday Bash was a lot of fun with entertainment by Rock n' Robin. We sang and dance to 50s & 60s what a blast.

We celebrated the 4th of July with a fun food activity . We made flag toast with blueberries, bananas & jam on toast. Looked great and tasted good too.

The Arbors at Chicopee

We have many residents who love to sing and we also have an in-house pianist named Irene. Irene needs no sheet music because she plays it all by memory. Look out “Americans got Talent....” The Arbors at Chicopee is coming.

Pet Week for all staff, residents, and families. Everyone loved walking in the building and looking at all the pictures of the pets in our lobby!!

The Arbors at Chicopee

The Reflections Community

A beautiful night in the courtyard swinging and sampling fresh cucumbers from the Arbors garden.

Our Monthly Luncheon was at “Five Guys”. We all enjoyed cheese-burgers & home cut french fries and of course we had one of their famous chocolate shakes. Five Guys just open in Chicopee in June . Welcome to the community– we will be BACK!

July 8-12 we celebrated pet week. Activities assistant Jordan brought in her bunny– she has had “Baby the Bunny” for 12 years. The residents loved her, she was very soft and gently. They even got to feed her Carrots and her favorite-bananas!

We celebrated the fourth of July by singing patriots songs and watching the Macy fireworks on TV.
