

A SPOOKTACULAR AFTERNOON!

On October 27th we held our annual trick or treat day here at the Arbors. It was a rainy dreary day but nothing stopped us from having a SPOOKTACULAR time! It was a blast seeing an array of costumes parading down the hallway greeting our residents. We had lumberjacks, policeman, witches, scarecrows, you name it, we had it! It was such a hit that the following day, the residents couldn't stop talking about it. We even reminisced about what Halloween was like back in the day. Residents were telling stories of when their grandchildren would visit them on Halloween all dressed up in their costumes waiting for their candy from Grandma and Grandpa. It certainly brought back so many memories for all of us and we look forward to it every year!

HALLOWEEN ART FUN!

On October 17th our Traditional community had our monthly paint night with our volunteer Anna. With keeping up with our Halloween theme this month, we painted pumpkins of course! Some painted jack o lanterns and some decided to paint a natural fall pumpkin!

Everyone had a great time and we even had a newcomer Ann T. who joined us. She was very happy that she made it to our paint night and said that she is most certainly joining our November paint night in which our theme will be a cornucopia for the upcoming Thanksgiving holiday!

HALLOWEEN CREATIONS!

The Reflections residents on October 9th got their inner Picasso's out. We did a Halloween themed painting and couldn't of been more happier with the turn out. It was a lot of fun seeing everyone's creativity shine through.

KNITTING CORNER

This past month we have started a knitting club here at the Arbors! We meet every Wednesday afternoon in the living room.

This creative activity is run by Eleanor who is an employee here as well. She has graciously donated her time every week to assist the resident who love to knit and crochet.

Eleanor enjoys knitting blankets, hats, sweaters, etc. She brings a warm smile to all of the resident's faces and the ladies all love sharing their ideas together!

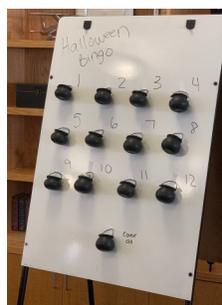

BLACK WIDOW HIGH STAKES BINGO!

High stakes bingo is a very popular game here at the Arbors.

On October 20th both communities joined together to play black widow high stakes bingo.

Everyone was on their toes anxiously waiting to see what they would win! The winner would pick a number off of the board and win the money that was in the pot. Our big jackpot winner was Shirley M.!

FALL IS IN THE AIR!

To kick off the fall season the Reflections community went apple picking to Keith's Farm on September 24th. We picked the juiciest McIntosh and Honeycrisp apples for baking back at home. Of course we couldn't resist the smell of the fresh apple cider donuts so we had to purchase some to taste test on the way home.

The next day, being the perfect fall day, we decided to stay in and bake up some apple crisp. With the apples picked on Tuesday we got right to work in peeling and slicing them. As you can see Mary P., Maggie S., and Caryl B. were such great help! It wasn't easy waiting for it to come out of the oven with the wonderful smell of cinnamon deliciousness filling the room but it was worth the wait. We all enjoyed warm apple crisp with vanilla ice cream on top.

PUMPKIN SEED BAKING

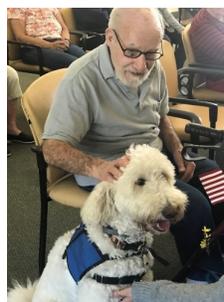

On October 7th our marketing director Sasha shared her yummy recipes for pumpkin seeds. Some of our residents got up and dug their hands into the pumpkins to get all the seeds out. A few of the recipes that we tried were Cinnamon, garlic, and pepper. The most favorite was the cinnamon spice! The aroma filled the entire room.

DOGGY DAYS!

Here at the Arbors you can't go wrong with puppy visits! Once a month we have Pebbles the Corgi who comes to visit us and always loves to shower us with love and cuddles. Let me introduce you to our newest member of our pet therapy program, Whiskey. She is a goldendoodle, and boy did she love all of the attention that was given to her. Can't wait for the next visits from these love bugs.

SENIOR SPOTLIGHT!

Beatrice T is 81 years old and has lived here at the Arbors for a little over two years. She was born and raised in Brockton. Later in life, when she married her husband Richard, she moved to Taunton where she raised her two sons Paul and John. She worked for the VA as an administrative officer. She stated "It was a joy and a blessing raising my two boys." During her life she enjoyed baking, cooking and knitting. Bea has 3 beautiful granddaughters that she is so very proud of and loves to brag about. Her favorite activity at the Arbors is Arts and Crafts!
