The Arbors at Greenfield

November 2019

Our Greenfield community spent October enjoying the sights and smells of the season. We took a walk on the Bridge of Flowers & enjoyed Ice Cream, made Scarecrows, enjoyed a Family Fall Festival, drank warm apple cider & enjoyed passing out treats to our small and adorable Trick or Treaters! We also experienced our 1st ever drumming circle. Such energy and enthusiasm was on display by both the participants and the instructor, Tara!

grateful
THANKFUL
blessed ^{AND}

Thanks to all who stopped in for the Family Fall Festival! There were plenty of snacks, games, and projects to enjoy, and a delicious hot lunch of chili and hotdogs! The warm cider and hot fried dough was a hit, and

Staff Appreciation Week!

Greenfield staff were celebrated during Staff Appreciation Week. They participated in games, crafts and bingo as well as a drawing for several fun themed baskets. Each staff member was given a gift bag. We love our staff and we take delight in showing it!

- Band-Aids for when things get a little rough
- Paperclips to hold it all together
- Laffy Taffys to keep a sense of humor
- Marbles to replace the ones you've lost
- Rubber Bands to remind you to be flexible
- Tic Tacs to thank you for your commit MINT
- Pens to "write your wrongs"
- Tootsies for the important roll you play in our community
- Sanitizer for your helping hands
- Chocolate to keep you sweet
- Chewing Gum to help you stick it out and know that the difference between ordinary and extraordinary, is just a little EXTRA.

CLEAN UP DAY!

On Friday, October 18th our awesome group of Directors worked together to clean up the parking lot across the street. They spent several hours cutting brush and making the area feel clean and safe. *(This lot is used as overflow parking and used on snow days while our regular parking lots are cleared.)*

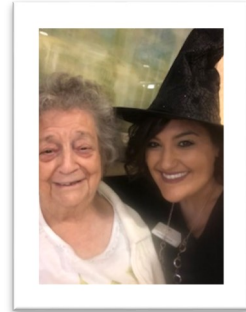

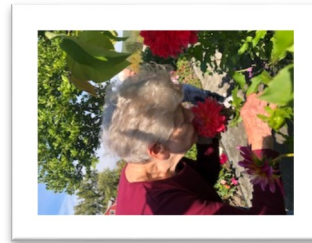

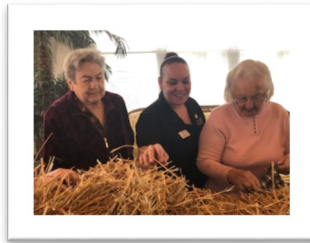

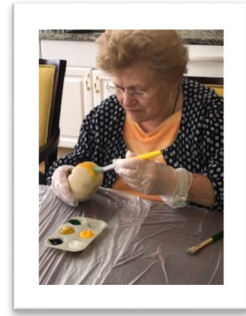

Fall Family Festival Fun!

Reflections Community

The month of October was filled with lots of family events , and some new programs! In the beginning of the month we ventured out to Shelburne falls to walk the bridge of flowers, which was stunning! Of course, we couldn't leave without an ice-cream stop on the way home too! We had a blast working with RCA's on scarecrows during staff appreciation week, and loved seeing them out and about in the courtyard! We enjoyed eating and handing out candy on the family trick or treat night. We even got to meet a beautiful 2 week old baby in costume, who stole our hearts and made our night! it was fun to see the kids all dressed up, and the kitchen made some ghoulish appetizers for us to snack on.

This month we also had our first annual family dinner night, and we are looking forward to having it again!

DOOR DOOR
