

The Arbors at Winthrop

December / 2019

Veteran's Day

At the Arbors at Winthrop we always make a point to honor our veterans on and around Veteran's Day. On Saturday, November 9th Rose Marie from the Veteran's Office in Winthrop gave a special presentation for our veterans. On Veteran's Day we held a special service to recognize those who have faithfully served our country. Then we had a social and munched on patriotic cookies our residents made to commemorate the special day.

Arbors at the Theater

We got in touch with our cultural side recently, when we went to see, "Anything Goes," which was performed by Winthrop High School. We were especially proud of our volunteer, Zoe who danced and sang beautifully! It was a great way to spend a Saturday afternoon.

Macarons with Mike

Our residents had a great time learning how to make macarons with one of our favorite chefs, Mike. He even threw in some free cooking tips along with showing us how to make delicious treats. The best part, though was sampling them at the end and they were as delicious as we had hoped!

The Arbors at Winthrop

Traditional Community

A Harvest of Creativity

In keeping with our theme, "A Harvest of Thanksgiving," our crafters created many different art creations, including: leaf collages. Quirky Turkey Door Décor, turkey ribbon pins, painted feathers, and pine cone flowers. We had a great time working with many different kinds of materials this month!

Muffins Galore!

Our bakers were very busy cooking up a multitude of fruit muffins and fruit bread. Afterwards they wrapped their baked goods in festive bundles to take with them as presents for their Thanksgiving hosts.

Reflections Community

Painted Feathers

Our crafters in both communities got together to do a festive craft for Thanksgiving. We painted feathers in bright colors. Later we will mount them to make a decorative wall hanging.

A Game of Pool

On a recent walk around our community the ladies stopped to shoot a little pool. Who knew Reflections had a crew of lady pool sharks!

Resident Profile

Elsa V. has lived at The Arbors at Winthrop for two years. She was an office manager in Winthrop. Elsa especially enjoys musical entertainment and likes all food! When asked to say something about herself, she said, "I am an ordinary mother."

Pre-Thanksgiving Lunch

Our residents had an early Thanksgiving feast at Boston Market. They loved the good home-style cooking there!

Happy Birthday!

Belva W. 12/16

Barbara N. 12/18

From Our Maintenance Director

Please use a wreath hanger to hang your wreaths on your door, Please do not use nails. Wreath hangers can be purchased for \$5 at Target.

Also, live Christmas trees are not permitted in our community, because they are a fire hazard.

Thank you!

Traveling Boutique

Thursday, December 12

1:00pm-3:30pm

Browse racks of clothing and purchase something for your wardrobe or do your holiday shopping!

Happy Holidays

Shooting Pool

It's always great when we catch our men connecting with each other over a game of pool! Leo had only lived in our community for one day when he was spotted shooting a game of pool with Norman!

Men's Club

The men at The Arbors at Winthrop got together for some pizza and beer with Maintenance Director, Jeff after our TED Talks presentation.
