

The Arbors at Taunton

FEBRUARY 2020

RINGING IN 2020

On December 27th both communities gathered in the Great Room to celebrate the New Year. Joe Mac Sax entertained us with some of his holiday favorites and had all of us singing along. We enjoyed some nice cold, crisp champagne along with very delicious appetizers prepared by our Food Service Director, Kenny. We then put on our hats, got out our noisemakers, and made sure to make lots and lots of noise as we counted down to midnight. Joe concluded the program with all of us singing together Auld Lang Syne. We can't wait to see what the new year has in store for us here at the Arbors!

Bernice M is 83 years young and was born in New Bedford, MA along with 6 brothers and 4 sisters. Later in life she met her husband Jim at Lincoln Park while at a dance. Bernice has two sons Jim Jr. Brad, and a daughter Phyllis, 4 grandkids and 5 great grandkids who she enjoys talking about immensely. When her children were little she enjoyed dress making for a few years for work, then later went on to be a cook for the New Bedford school department. Her and Jim enjoyed a lot of traveling over the years as well. Bernice is an avid reader and is always enjoying discussing books with other Arbors friends! Her favorite activity here is the weekly lunch outings. We love having her here as part of our Arbors family.

CRAFTY CORNER

On the cold day of Thursday, January 23rd our Reflections community got together to make snowman door hangers while some others opted to color their winter creations.

DANCE WITH HILLARY!

Arbors' residents of both communities love when Hillary comes to do dance exercise with them. She is very talented and very knowledgeable about many styles of music and dance and she certainly gets them movin and groovin to the music!

Continuing the Holiday Tree

After the holidays we hated seeing our holiday tree come down so instead the Reflections community decided to go on with the holiday tree! On Wednesday, January 15th a few of our residents, Lillian H., Shirley F., and Ann D. decorated the tree with hearts and red and pink roses in spirit of our next holiday being Valentine's Day. Next month we'll be sure to get our Irish traditions in with green and gold for St. Patrick's Day.

DELIZIOSA!!!

On January 22 it was a gorgeous sunny day to go for a ride out to Lorenzo's in Middleboro, MA. Our ladies enjoyed a variety of yummy Italian dishes such as baked stuffed shells, eggplant parmesan and cheese raviolis. It makes our mouths water just thinking about it! We were so very stuffed that we had absolutely no room for dessert!

BAKING CLUB!

Every Saturday afternoon where will you find our baking club members hanging out? In our pub baking of course! Throughout the month of January our group baked a variety of yummy desserts. The aroma always fills the hallways. Our residents shared ideas of some of their favorite dessert recipes that they made over the years and it brought back so many memories.

We can't wait to see what we bake for the month of February!

DOVES OF PEACE

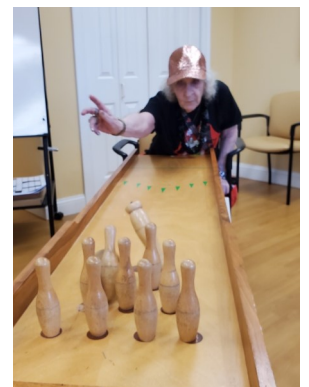

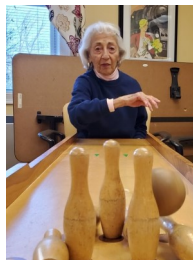

Martin Luther's message is one about peace and freedom. In honor of Martin Luther King day our crafty ladies enjoyed creating a beautiful craft project. They painted a canvas in black and then stenciled a white dove. The gorgeous dove is a symbol of love, peace, and tranquility. You can see from the smiles on their faces that they really had fun with this craft and were very proud of their work!

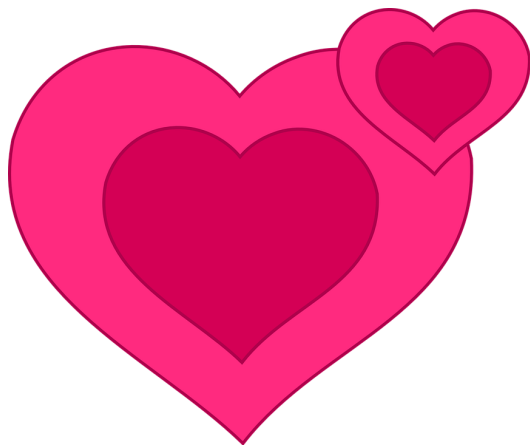

THAT'S HOW WE ROLL!!

One of our many favorite activities here at the Arbors is bowling and every other Wednesday our ladies will sometimes get very competitive, but always cheer each other on and have a great time. Some of these amazing ladies reminisce about participating in bowling leagues back in the day and let me say their scores were pretty impressive!
