HAPPY HOLIDAYS!

Happy Holidays from all of us at the Arbors in Stoneham! We enjoyed getting festive this holiday season with everyone pitching in and helping decorate our tree. We celebrated all the way through the month! We held our Annual Family Holiday Party on December 12th with Noah Lis as our entertainer! It was so much fun enjoying the music, the amazing food by the kitchen staff and the company of our friends and family!

Sounds Of The Season

We were tapping our toes while David P. and Jill entertained us with holiday music and songs from the 50, 60's and 70's while mixing in some seasonal favorite tunes!

Care packages For Our Troops

Kayla helped us put together care packages for our soldiers who are deployed this holiday season. The packages were filled with: beef jerky, lens wipes, decks of cards, candy and personal care items.

Crafting with Theresa

Our in- house crafter, Theresa has been our Guest Star this month! We got our creative juices flowing making wreaths & ornaments to add to our community's decorations.

Girl Scouts Visit

We enjoyed a visit from our local Girl Scout troop! They sold cookies for five dollars per box inside the cozy environment of our beautifully decorated front lobby. Who doesn't love Girl Scout cookies?

New Year's Cooking and Baking

Welcome Clay!

Clayton Smalley, Clay as everyone calls him, is the newest member to our team. He originally came from northern New York where he spent eight years working as a Care Manager and Activities Assistant before moving to Massachusetts three years ago. Then he managed programming and communities like our Reflections family before joining us here at the Arbors. Clay lives in North Andover with his wife and ten-month old son, Benjamin. Clay looks forward to bringing new projects and ideas to the Arbors community. Stop by anytime to join us for baking cookies or bread, doing seasonal crafts, listening to music specials while discussing the genres, and going out on visits of our city. Every day is an opportunity to have a special moment of fun and creativity and Clay will ensure every resident can take part in those moments.
