

## MESSAGES OF LOVE

*In both of our communities we recognize the importance of staying connected during this outbreak and in an effort to do so we did everything we could to make that happen. We facetedimed, skyped, sent messages and photos every chance we got to our loved ones. While we may be missing you dearly we want to let our families know that we are happy, healthy and safe and look forward to the very day we can all see you in person again!! Love and well wishes to all of you from all of us!*

# DOOR TO DOOR

## The Arbors at Taunton

On March 10th our Arbors men got together for lunch with our Maintenance Director, Bob and our Food Service Director Kenny. Pizza, beer, and laughter made for a great day.

# BINGO

Here at the Arbors our favorite game to play is Bingo. Since we couldn't get together in a group to play. Why not come up with a different and unique way to play! So we played Hallway Bingo and boy did we have a blast. Everyone was so happy to catch up with their friends. You could hear the laughter in the halls and it was so exciting to see all of their happy faces. It was certainly a huge success and something we are definitely doing again!

## FUN WITH FRIENDS!

Just a fun typical Friday afternoon amongst friends. We played a really fun game with Activities Director Susan called **Everybody Knows In** in which we answer random trivia question in 60 seconds. It is certainly not as easy as you think it is! But everyone was laughing and towards the end just making up their own crazy answers! It was guaranteed a good laugh.

**MRS. C AND LOUISE BOTH KEEPING BUSY DOING SOME OF THEIR FAVORITE THINGS! WORD SEARCHES AND CROCHETING!**

## SHUFFLE! SHUFFLE!

On March 4th we enjoyed a competitive game of shuffleboard. It was a very close game, but in the end our big winner was Janet S who was extremely happy to win the prize bag!

## I SCREAM! YOU SCREAM!

With our daily routine being a little different lately we have to make the best of everything and what better way to make us feel good than to have ice cream! Program Director Ashlee went around with RCA's with a traveling ice cream cart with your chose of flavor and playing some tunes along the way for everyone to enjoy.

WELCOME HOME

NANCY M.

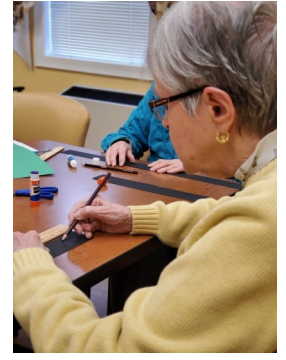

The Arbors at Taunton participated in the Dartmouth Senior Center annual chili cookoff Special thank you to our Food Service Director for making a very delicious chili . We were even asked to compete again next year and are looking forward to it!

## CREATIVE CORNER

Our creative juices are always flowing here at the Arbors! Especially when it centers around St. Patrick's Day. We created Lucky Shamrock centerpieces and our absolute favorite was our shamrock canvas painting project in which they were very proud of their work in which they always are!
