## The Arbors at Stoneham

Social Distancing doesn't mean we can't visit with our loved ones! Above, Norma talks with her family. The personal connection is what we strive for here at The Arbors at Stoneham.

Always having fun, from socially distanced Bingo to birthday parties we ensure all aspects of an active day can still be achieved safely with our friends and family!

## *Reflections*

We Traveled The World via Drone videos on YouTube. From Paris to Tokyo, from Boston to Beijing. Residents named their hometowns and gave tours of the places they grew up in. Below, Mario points out his home in Orsogna Abruzzo, Italy as we fly above the plazas and streets of his village, population 4,000. He had many stories to tell of his life in the pastures and vineyards of central Italy.

Socially distanced Patio visits get us some Fun in the Sun and a great way to connect with friends. Word games, exercises to "Genre of the Day" music, and Tapping our Toes Socially Distanced Dance Parties are all on our busy daily schedule here in Reflections!

He celebrated by enjoying outdoor visits with his family, showing off his awesome birthday sign that was made for him by another residents family and spending time with the other residents on the patio. We all cant' wait to celebrate your 100<sup>th</sup> Birthday with you next year!
