AUGUST 2020

WELCOME TO HAWAII!

On July 6th we decided to venture off to beautiful Hawaii for the week. We started off with refreshing mimosas and received our exotic leis to welcome us, along with a goodie bag. We knew that we were in for a fun filled week full of games, prizes, and delicious food and of course tropical drinks!

FUN AND GAMES!

We played a fun game of flamingo scratch off and a big congratulations to Gloria and Louise who were our grand prize winners!!!

HAWAIIAN LUNCH!

Our delicious themed meals during Hawaiian week included pineapple meatballs served over rice. We also enjoyed Kenny's shrimp kabobs later in the week.

HAWAIIAN CRAFTS

PIC-COLLAGE

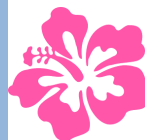

During our trip this week our crafty ladies were at it again, creating beautiful suncatchers. From the smiles on their faces it looked like they were having a great time with their creations!

IF YOU LIKE PINA COLADAS!

We finished off Hawaiian week with refreshing Pina Coladas and boy were they good! We enjoyed our trip to Hawaii and had a fun, relaxing time and we hope to go back again soon. We made many memories and had a great time with our friends. Cheers to all of you!

Reflections residents got into the holiday spirit this Fourth of July. The celebration was definitely different this year without the cookouts and family gatherings but we made the best of it. We enjoyed refreshing fruit kabobs while listening to patriotic music and posing for a festive photo shoot.

Happy Fourth of July!

Both communities enjoyed a fun patriotic cart of yummy 4th of July desserts and drinks for the afternoon which got them into the patriotic spirit!

POOL TIME!

It was nice to get the men together again and play a little pool in Reflection. The guys mentioned being a little rusty but they got they're groove back with some laughs. New resident Peter C. enjoyed playing and hanging with the guys in his new adventure with us.

One of our favorite past times is to play Bingo! And boy were we so excited to play it after months of quarantining. Everyone was excited to adjust to our new normal. We were laughing, reminiscing, and just having a grand old time. We are looking forward to slowly getting back into the swing of things!
